Internship Program 2025

1. Introduction:

STPI/STPINEXT is providing internship opportunity to facilitate students pursuing undergraduate/graduate/post graduate degrees enrolled in recognized institutes/universities within India or abroad, as "Interns". Students of engineering streams may undertake internship in STPI/STPINEXT. It shall provide an opportunity for a student to secure firsthand practical work experience under the guidance of a qualified and experienced Supervisor/Mentor. It also aims at active participation in the learning process through experimentation and putting into practice the knowledge acquired in the classrooms.

Internship will be provided to maximum 50 no. students/persons this year. The duration of internship may be 1-6 months depending upon the topic / subject and feasibility / availability. A stipend of Rs. 5,000/- per month may be provided subject to availability of fund at the respective CoE(s) or Centre.

2. ABOUT STPI & STPINEXT:

Software Technology Parks of India (STPI) is a premier organization under the Ministry of Electronics and Information Technology (MeitY), engaged in promotion of the IT/ITeS industry in India over more than 3 decades. With a pan-India presence, STPI provides statutory services to exporters under the STP/EHTP scheme, as well as infrastructural facilities such as high-speed internet and IPLC links through its 67 centers and 14 jurisdictional directorates.

In recent years, STPI has ventured into support & promotion of innovation, emerging tech, entrepreneurship & start-ups. STPI has established 24 Centers of Entrepreneurship (CoEs) across the country focused on specific technologies and domains and created SAYUJ, a first-of-its kind platform for the entire innovator community to network & discover resources. STPI has incorporated "AIC STPINEXT INITIATIVES," a section 8 company to serve as a nodal agency for various initiatives in innovation across emerging technologies (like IoT, Blockchain, Artificial Intelligence (AI), Augmented & Virtual Reality etc) and domains (Gaming, FinTech, Agritech, MedTech etc).
