11. Evaluation of the Bids

The evaluation process of the RFP will be as per clause 11.1 & 11.2 of this RFP. The purpose of these clauses is only to provide the Bidders an idea of the evaluation process that STPI may adopt. However, STPI reserves the right to modify the evaluation process at any time during the RFP process, without assigning any reason, whatsoever and without any requirement of intimating the Bidders of any such change.

A two-stage procedure will be adopted for evaluation of RFP proposals, pursuant to the technical qualification criterion (fulfilment of the Eligibility criteria along with the terms of the RFP) bidders will be short-listed for opening of the Commercial Bid.

Commercials Bids will be opened only of those Bidders who succeed in the technical qualification criteria. The commercial Bids of the disqualified Bidders will remain unopened.

11.1 Evaluation of Technical Bid (stage 1)

- STPI will examine the Bids to determine whether they are complete, whether the Bid format conforms to the RFP requirements, whether any errors have been made, whether the documents have been properly signed, and whether the Bids are generally in order. Bidders need to fulfil all the technical qualification conditions mentioned in Technical Qualification Criteria of the RFP.
- STPI will review the technical Bids of the Bidders to determine whether the technical Bids are substantially responsive as per section Part-I(a),I(b),I(c),I(d) & I(e).
- The commercial bid (price bid) of the technically qualified bidders will be opened to carry out the commercial evaluation.
- In order to assist in the examination, evaluation and comparison of Bids, STPI may at its discretion ask the Bidder for clarifications regarding its Bid, if required. The clarification shall be given in writing immediately / within defined time.
- Bids that are not substantially responsive are liable to be disqualified.
- Conditional Bids are liable to be rejected.
- It is, however, clarified that, subject to other provisions of this Document, every Bidder will have to comply with the minimum Eligibility Criteria specifications laid down in the RFP for being qualified technically. STPI's decision in this regard shall be binding.

11.2 Evaluation of Commercial Bid (stage 2)

The Commercial bids shall be opened by the Committee nominated by the competent authority in the presence of the bidders present at the office of STPI, 6Q3, 6th Floor, Cyber Towers, Hitec City, Hyderabad. The date and time of opening of the commercial bids will be communicated to the qualified bidders after the technical evaluation is completed.

STPI shall award the contract to the eligible bidder based on the below terms

The commercial Bids of only those Bidders will be opened whose Technical Bids qualified in the technical evaluation.

- a. STPI shall award the contract to the eligible bidder whose bid has been determined as the lowest evaluated commercial bid of COMMERCIAL BID (Which includes Base price and Taxes and duties levied by Central/State/ local Govt. such as GST & Labour/Installation Charges, Loading and unloading charges, transportation charges, if any etc.) after fulfilling all the terms of RFP.

- b. In case, any arithmetical/numerical/typo error is found in the commercial quoted by the bidder in the Commercial bid such as not quoting the GST price, Mismatch in the unit price or total price will not be entertained during the bidding. In such cases, the lowest price reflected Sr.No: 3 in the Commercial bid shall be considered for evaluation.
- c. In case of bidder who has quoted the lowest price has such error in Commercial bid as stated above in para (b) and does not provide consent for the lowest commercial quoted, will lead to rejection of commercial Bid of the bidder. Further the bid will be treated as Disqualified Bid. The remaining eligible bids will be considered for evaluation and the bidder who has quoted the lowest price among them will be considered for placement of Order.

12. Payment: No advance payment will be made. 100% payment will be released after successful completion of training program Mentioned in the Scope of work.

13. Force Majeure:

Notwithstanding the provisions relating to time line fixed elsewhere in the Agreement, the Vendor/Parties shall not be liable for forfeiture of its performance security, liquidated damages, or termination for default if and to the extent that the delay in performance or other failure to perform its obligation under the Contract/Agreement is the result of an event of Force Majeure. The Force Majeure in the context of this Contract/Agreement, means an event beyond the control of the Vendor/Party and not involving the Vendor's/Party's fault or negligence and not foreseeable. Such events may include, inter alia, wars or revolutions, fires, floods, epidemics, pandemics, quarantine restrictions, freight embargoes, earthquakes, explosions, strikes and other acts of God referred to as eventualities.

If, at any time, during the continuance of the agreement, the performance in whole or in any part by either party of obligation under this Contract/Agreement shall be prevented or delayed by reasons of the eventualities then, notice of such happening of any such eventualities is given by either party to the other within two days from the date of occurrence thereon, neither party shall, by reason of such eventualities be entitled to terminate this contract/agreement nor shall either party have any claim of damages against the other in respect of such non-performance or delay in performance. Performance of the contract agreement shall, however, be resumed as soon as practicable but not later than seven days after such eventuality has come to an end.
